Nicollet Mall

"El Primer Centro Comercial Peatonal del País"

En 1967, la descolorida Avenida Nicollet, la principal zona comercial de la ciudad, se transformó en Nicollet Mall, uno de los primeros centros comerciales peatonales del país. Esta calle repleta de automóviles fue reemplazada por una calle de 10 metros de ancho de uso exclusivo para taxis y autobuses. Las aceras fueron ensanchadas y ahora son boulevares repletos de árboles y flores. Un reloj marca la hora en Peavey Plaza en 11th Street. Esta zona de 12 cuadras es el hogar de cientos de tiendas, teatros, tiendas departamentales y restaurantes..

Calhoun Square

"Collection of Specialty Shops"

Unlike the sprawling mega structures of the vast suburban malls, Calhoun Square is a quaint urban collection of several specialty shops. Browse Borders Bookstore, check out the latest electronic games or traditional board games at Games People Play or drop in the Golden Leaf for a superb selection of cigars and pipe tobacco. There are also kiosks scattered throughout the mall featuring original and handmade items from local artisans. Dining choices include the elegant Figlio Restaurant and Bar, jazzy Famous Dave's BBQ & Blues and the steady Good Earth. Nearby Urban Outfitters and Express offer a wide variety of apparel to meet the tastes of young and mature alike. Within walking distance are Williams Uptown Pub & Peanut Bar and the artsy Suburban World Cinema Grill and Uptown Theater. This place is not to be missed at any cost.

Galleria Edina

"Upscale Shopping Center"

This slightly eclectic shopping center offers everything from great eating to lovely displays of art.
