Raoul's Bar

"Lively Cocktail Bar"

Raoul's Bar is an old favorite on Walton Street. It sells the strongest and tastiest cocktails you could want, at very good prices. The music is loud, but once you're cozily ensconced in a nook, you won't mind the lively, busy ambiance almost seems to demand the volume. While in some ways quite trendy, Raoul's is not at all intimidating as its decor gives it a mawkish charm.

Freud

"Unusual Cocktail Bar"

Located in an early 19th-century church, Freud's has the most extraordinary acoustics of any cocktail bar. It also boasts a stage for live music and art exhibits adorn the walls. Enjoying an expertly mixed cocktail in the unique atmosphere that Freud provides is a genuinely fun and interesting experience.

Angels

"More'jitos!"

Angels is a favorite hang-out for the young at heart. This bar has a relaxing ambiance with a scarlet decor and comfortable seating. Known mainly for its mojitos, this bar serves a number of exotic cocktails at great prices. Moreover, the staff here is quite friendly, while the music keeps this place lively. A nice and comfortable place which will make you come back for more.

 Little Clarendon Street, Dartington House, Oxford

The Bullingdon

"Something for Everyone"

This very popular pub that is also one of the city's main music venues is a major nightspot. The pub/club has a back room featuring various genres of music, depending on the night you visit. The pub also has a big screen available for sports fixtures.
