### Pho Lien Hoa

"Phenomenal Pho"

Pho Lien Hoa is a popular restaurant for a reason, the pho here is simply superb! All of their pho dishes are fantastic, but their Pho Tai is especially great. If you're not in the mood for pho, try their Bun Thit Nuong Cha Gio which has grilled pork and delicious vermicelli noodles. Although the restaurant can be slightly crowded, the service is fast ensuring you never have to wait too long. The dishes are moderately priced and quite large, making this spot perfect for the budget traveler.

### Chuck House

"Best Chicken-fried Steak Anywhere"

Absolutely the best chicken-fried steak you will ever taste can be found at a little out-of-the-way fast-food restaurant on 10th Street. They have other things on the menu, including fried chicken and burgers, but people go there for the chicken-fried steak. This restaurant has been under the same ownership since it opened in the late 1970s, and except for a new coat of paint now and then, it has not changed much. You will especially love the original wood paneling. You can get a sandwich with fries or a dinner, both with a drink, for less than \$10.
