Into The Music

"Music Lover's Mecca"

Into The Music is the stuff Hollywood movies are made of, complete with a subculture management whose music knowledge makes you almost embarrassed to set foot in the place. However, the staff is extremely approachable, and willing to help you find new and used music that spans every imaginable genre. You will find rare music on CD, LP and cassette. If they do not have that live Curtis Mayfield or rare Bach you have always wanted, they will find it and send it wherever you are.

McNally Robinson Booksellers

"Readers' Delight"

Though this location opened in 1996, McNally Robinson Booksellers was established in 1981. Considered to be among the largest Canadian bookshops, this much loved store is a delight for bookworms. Specializing in local and national writers, their impressive collection features best-sellers, new releases, staff selections, award winners and more. They also stock a good range of music, movies and games along with other merchandise. Climb up their grand spiral staircase to the mezzanine where a whole new world of fantasy and magic awaits for kids. This huge section for little readers has everything you will need to inculcate reading habits in your child, right from the time they are toddlers. Those who would like to self publish their novels can avail of the printing service on-site. From reading sessions to live performances and book launches, this store regularly hosts events for all. They also have a restaurant on-site to take care of your hunger pangs. With so much to explore, you will just want to linger for hours at this book-store.
