Noble Ale Works

"Noble Brews"

Noble Ale Works is a microbrewery located right next to Angels Stadium. The tasting room is bedecked with Anaheim Angels paraphernalia, from banners to signed jerseys. Aside from this and their TV (to watch Angels games, of course), the decor is spartan, all the better to not distract from the main attraction, the beer. At the tasting room, you can sample 12 beers on tap, most of them their special seasonal beers, although of course regular year-round beers are available too. Beers on tap rotate often, so multiple trips can result in completely different experiences every time. Aside from regular open hours, the tasting room is also open before, during and after any Angels or Ducks home games.

Balboa Saloon

"Casual charm"

This saloon has established itself as one of the most popular watering holes in Orange County with plenty of beer, music and friendly faces to talk to. If you are squeamish about huge sea animals that have paid a trip to the friendly neighborhood taxidermist, you might not like all the stuffed sharks adorning the walls. However, it adds a touch of the nautical to this Balboa Island bar.

Anaheim Brewery

"Anaheim Ales"

The Anaheim Brewery's tasting room features a 30-foot long bar salvaged from a defunct local saloon where the barkeeps serve eight of the brewery's beers on tap. From the flagship Anaheim 1888 to their oatmeal stout and Doplebock, each brew has it's own character. And with views that overlook Farmer's Park, the ambience is downright perfect in their 100-seat beer garden. If you come on Tuesday night, be prepared for plenty of tacos, they accompany the beers perfectly and Wednesday night features trivia time with 'Geeks Who Drink'.

The Bruery

"Innovative Flavors for Conventional Ales"

The Bruery operates from the heart of Placentia, offering locally made craft beer that plays with the conventions of Belgian brewing. Started by brothers Patrick and Michael Rue, Bruery is the end result of a passion for home brewing and a love of experimentation. Several exotic ingredients form the basis for these innovative brews, fresh picked lavender and Thai basil making appearances in otherwise conventional ales. To further this quality, Bruery ensures that its brews are never filtered or pasteurize, retaining every ounce of their original character. The Bruery's unique flavors and passionate ethos make it a worthwhile stop during tasting hours.
