Bert & Rocky's Cream Company

"Ice Cream & Candy Parlor"

Bert and Rocky's emulates classic ice cream and candy parlors, with a variety of treats to choose from. Their chocolates are handmade and available individually, and the shop also sells mass-produced candy such as M&Ms. Their ice cream parlor serves shakes and frozen yogurt as well as ice cream, available in waffle cones, sugar cones and disposable bowls. The cozy atmosphere emphasizes the family-owned dynamic typical of the Claremont Village, and seating is available both inside and out on the nearby sidewalk. The shop stands on the corner of Yale and Bonita Avenues, just across the street from Rhino Records.
