Step in and an artistic wall adorned with paintings by locals artists, invites you the '64 House Full Of Flavours'bistro, situated near the Forum Mall. With live music as a regular feature, the local bands and DJs do their bit to keep regulars coming back for more than their cup of coffee. The decor is chic with white lamps throwing light onto the warm interiors, and there is a pretty sit-out on the terrace too with pristine white tables and chairs. The menu features themed lunches which change regularly, much to the delight of the very discerning food lovers who make their way here. Do not miss the delicious and flavorsome Cajun Spiced Prawns or the Chocolate Martini, which are highly recommended by regulars who consist of young professionals and business people from the IT sector in Koramangala, who chill out here after work. There are many events to look forward to here, and for the ladies they have their 'Ladies Night' too.

### High Ultra Lounge

"Dining High"

Taking rooftop dining to another high is the High Ultra Lounge. This bar is located on the terrace of the World Trade Center building which is a whopping 128 meters (421 foot) in height (one of the highest in the city). From this height, one can definitely look down upon the world! The food and drinks are expensive, but surely worth the experience of dining, what with the fine food, lovely ambience and the helpful staff.
