### Sweet Lily Natural Nail Spa and Boutique

#### "Hacerse las Uñas"

En Sweet Lily Natural Nail Spa and Boutique, la seguridad de sus clientes es la principal prioridad. Se toman grandes medidas para asegurarse de que los instrumentos que se utilizan para embellecer a las mujeres son completamente desinfectados, esterilizados y limpiados, haciendo sentir cómodo y relajado al cliente mientras se realiza el tratamiento. Se puede disfrutar de una variedad de servicios, desde uñas y depilación, hasta manicuras y pedicuras, todos ellos realizados por profesionales autorizados. Cualquiera sea la elección, de aquí se sale con una sensación fresca y luciendo espléndida.

### Mario Diab

#### "Curl Care"

Mario Diab is a blessing for people with curly hair. If you have curly hair and have always had your hair appointments end in disappointment, then this salon is just right for you. The "Curl Guru" and his team will give your hair the kind of attention it requires, leaving you with a style you will be sure to love. Patrons also love the general, welcoming atmosphere of the salon, where everyone's needs are taken into consideration. You can work while you get styled, courtesy of the iPad given to you for the duration of your appointment; you can also have food delivered to the salon. All in all, a delightful salon.

## Bumble and bumble

### "Cabellera al Viento"

Este salón tiene todo el atractivo y la ostentación que el corazón podía desear, pero los cortes y el servicio de maquillaje es lo que atrae a los clientes. Un buen día, una visita puede levantar el ánimo y si se tiene en cuenta la ubicación y el servicio, los precios se justifican. Bumble and Bumble es conocido por sus grandes trabajos en color, pero el personal puede ser un poco agresivo cuando se trata de los productos en venta. Todo en conjunto es un buen lugar para ir por un lindo día para el cabello.
