### The Hill Tavern

"Tasty Pub Fare"

The Hill Tavern's convenient location at the bottom of Beacon Hill on busy Cambridge Street draws locals and tourists alike. People come here for above average pub fare at below average prices. Whether you arrive at The Hill solo to enjoy a local brew over the night's big game, or with a hungry group or sightseers, you will find the atmosphere friendly and lively. A quieter dining room adjacent to the pub area draws a steady after-work crowd. Popular appetizers include bruschetta and the Hill's own Home Fries. A wide sandwich selection is available for both lunch and dinner. Unique to the Hill Tavern is its weekend brunch menu and quaint outdoor seating during warmer months. Weekend nights draw a bustling bar crowd and are less conducive to quiet dining.

## Parish Cafe and Bar

### "Delicious Sandwiches"

This Back Bay establishment represents one of Boylston Street's better places to stop and eat, both indoors or outside on the patio. A pub-style atmosphere featuring wooden paneling mixed in with brightly painted walls awaits you as does a diverse menu. ## The Beehive

### "Restaurante lleno de acción"

Ubicado en el Boston Center for the Arts, el restaurante y bar The Beehive es casi como un teatro de ópera en sí mismo con jazz en vivo, cabaret y mucha más acción. Cuenta con cortinas de raso fino y artefactos exquisitos de adorno. Un lugar de reunión muy popular entre los amantes de la noche, la escena del bar y el salón también es optimista y alegre. La comida es una mezcla regular de parrilla y comida mediterránea, con costillas de cordero que gobiernan el gallinero. Embutidos, pastas y risottos también se ubican felices juntos en el menú. El vino fluye libremente todos los días y el lugar tiene un ambiente artístico.

## Atlantic Fish Company

### "Good Chowdah"

Atlantic Fish Company on Boylston Street has earned first place at the city's annual Chowderfest. The atmosphere is casual and the bar is lively. Once little more than a hole-in-the wall, it is now an upscale space with warm wood trim and intimate booths. Choose from a variety of seafood entrees that are fresh and well-prepared. Fried clams, an overflowing lobster roll and blackened salmon are the seafood favorites at the Atlantic Fish Company. Chicken and steak are also available for the land lovers, however vegetarian options are sparse.
