### Good Life

"Retro Rules!"

Good Life promises downtown Boston just that. A popular destination for after-work unwinding, the bar is a hit among club-goers and music enthusiasts. Spread over two levels, the bar has undergone a modernizing face lift that thrust it into the area's trendy club scene. Featuring live gigs and guest DJs spinning eclectic beats, this is one of the best dance clubs in town. The exposed brick walls are blank canvases to a rotating exhibition emerging local artists. There is also an American menu featuring timeless bistro classics like sandwiches, burgers, pastas, paninis and mac-and-cheese. Enjoy fish tacos, BBQ pork sliders, or marinated steak tips with creative cocktails or wine.

### The Royale

"Espectáculos reales"

Quienes sueñan con una gran vida social como la de las celebridades, Royale es un salto a la fama. El club nació en 1918, cuando Dave Ralph se reunió con el diseñador Tom Telesco para transformar una sala de ópera en el club nocturno más fascinante que pueda existir. Los interiores son grandes, y cuentan con una escalera y un balcón y un salón de baile. De acuerdo con la naturaleza, el club sigue las reglas ecológicas, incluso en la construcción del espacio. Los aproximados 3065.8 metros cuadrados del lugar tienen el mejor equipo de luz y sonido para ofrecer una experiencia inolvidable.

### Guilt

"Swanky Nightclub"

Located in the Beacon Hill neighborhood of Boston, Guilt nightclub is the place to be for a fun night out on the town. Oozing an old Hollywood glamor ambiance, Guilt is decked out in rich velvet fabrics, beautiful dark wood wainscoting, ornate tin ceiling tiles and soft leather couches. Various events are held throughout the month and can be viewed on their website. The club is also available for private parties.
