## Hotel San José

### "One of a Kind"

For decades, this accommodation was your typical drive-in motel, but it has been transformed into a unique bungalow-style hotel. The hotel itself has an urban minimalist feel with concrete floors and handcrafted furniture. Framed posters of legendary rock and blues acts that form a part of Austin's music history grace the walls of each room. This pet-friendly hotel even occasionally hosts events. Hotel San José is as culturally "groovy" as it gets.
