Counter Cafe

"Mainstream Popularity"

Featuring a plethora of food items, each more delectable than the next, Counter Cafe is the place to go for burgers when in Austin. Although their burgers take the cake, they have plenty of unique items you'll be tempted to try. Whether it's the grilled quail on a bed of spinach salad tossed in strawberries, goat cheese and red onion, or their polenta fried oysters featuring their breaded oysters with a sun-dried tomato dipping sauce, this place will spoil you for choice and keep you coming back for more. A great and convenient feature of the establishment is that its breakfast items are served all day, and with scrumptious delights like the hearty steak and eggs, you'll be glad they do. The interior is tastefully decorated to ensure maximum comfort, and owing to the cafe's popularity, it is always bustling with a lively crowd.

South Congress Cafe

"Sin Postre. ¡Por Favor!"

South Congress Cafe tiene todo: un delicioso menú, una happy hour y una ubicación privilegiada en una zona comercial de primera categoría en Austin. La decoración es espaciosa y moderna, con grandes ventanales que dan a la calle y cómodas cabinas privadas. La cocina se inclina hacia al sudoeste y el restaurante sirve brunch, almuerzo y cena. Algunos platos a tener en cuenta son el lomo de cerdo escandalosamente succulento, mariscos Cajun y el crepé de maíz azul. Las raciones son enormes, por lo que puede saltarse el postre.

Bouldin Creek Coffee House

"Despertarse y Sentir Aroma a Café"

Quienes piensan que Bouldin Creek Coffee House sirve sólo café y desayuno están equivocados. Boulder Creek sirve desayuno, almuerzo y cena, pero el menú es estrictamente vegetariano. En cuanto a las bebidas, hay que probar el 'chai latte' y la limonada de miel. Leslie Martin, el propietario, ofrece el mejor menú multicultural a precios razonables.

Star Seeds Cafe

"Popular Late-Night Hangout"

This funky roadside restaurant, located on the grounds of Days Inn University along Interstate 35, provides a hip late-night hangout for all types. Musicians and music fans alike mingle over omelets, breakfast tacos and a full range of diner food. Students are drawn to it because of the late night hours, convenience to UT and affordable menu items. After 2am there is often a wait while the bar crowd trickles in. The walls are covered with artwork, not anything typical, usually very eclectic or raw pieces are shown. The atmosphere is laid back and casual with diner booths filling the small space.

Kerbey Lane Cafe

"El Restaurante Orgánico Favorito de Austin"

Kerbey Lane Cafe tiene muchas sucursales, pero la ubicación original de este icono de Austin sigue siendo un favorito local. Su carta maravillosamente diversa es un espectáculo para la vista de los vegetarianos. Las verduras son de cosecha propia y sin pesticidas, y la carne y el pollo son de granja. El desayuno incluye omeletes, crepes y excelentes tacos. El restaurante está abierto las 24 horas, todos los días. No es de extrañar que sea una eminencia.
