"Beans & Brews"

Whenever you are looking for the perfect suds, visit this cafe where you can get yours in the form of Cappuccino or a frothy beer. The bar has 38 different taps and though most are local, guests can still find some international and national brands. The small space does not have room for a kitchen, but Wright Bros. still provides some light snacks and bites from restaurants and cafes around Austin.

Whip In

"Comida Hindú al Estilo del Sur de Austin"

Whip In tiene una combinación de productos de estilo indio para el desayuno, que se encuentra disponible hasta las 2hs, ideal para los menos madrugadores. Naan (pan plano indio), huevos revueltos, queso y su elección de chutney (un condimento indio especiado) compensa el desayuno naan (con el chutney de cilantro es bastante apetecible). Como si eso no fuera suficiente, también tienen una impresionante selección de cervezas de barril, un pasillo del supermercado es vegano / vegetariano, una zona de cerveza y vinos y un espacio con velas e incienso indio.

Draught House Pub & Brewery

"Cervecería Alemana al Aire Libre"

El Draught House Pub & Brewery se encuentra a un paso de los lugares más transitados, y es un excelente jardín de cerveza alemana, que brinda un poco de tranquilidad fuera de la calle Sixth en el centro de la ciudad. El ambiente de pub europeo y la exhaustiva selección de cervezas importadas hacen de este bar un favorito para lugareños y visitantes por igual. Los asientos son excelentes, de madera con respaldos altos y mesas de madera gruesa. Los miércoles por la noche hay pizza libre y los sábados salchicha alemana.
