### Highland Inn

"Away from the Maddening Crowd"

Situated comfortably in one of Atlanta's most charming neighborhoods, the Highland Inn combines the comfort of American lodgings with the elegant charm of European accommodations. A two-block walk south of the impressive white columns delivers guests to the Jimmy Carter Presidential Center and Library, while a similar stroll in the other direction yields some of the city's best boutique shopping and restaurant options. Lodgings range from small standard rooms to efficiencies and queen suites, all at affordable rates. In a neighborhood with limited accommodations, this place is a safe choice.
