The Lobby Bar At The Peabody Memphis

"Elegant Hotel Setting"

This elegant lobby bar in the grand Peabody Hotel has been restored to its original late 19th Century glory, although with modern comforts added. Couches and overstuffed chairs make for a relaxing place in which to enjoy the player piano or the live music that takes place on weekend nights. The lobby is crowded, when the famous Peabody ducks march to and from their place in the lobby fountain. The best time to stop by at the Peabody Lobby Bar is late at night after an evening on Beale Street or at the theater.
