The Hat Store

"What a Perk"

Do not mosey in here looking for any leopard-skin or satin creations. Western hats done the cowboy (or cowgirl) way are the only hats you will find inside the walls of the Hat Store. Top brands include Stetson, Resistol and American. The inventory also includes a full line of belts and hat accessories. Started as a family business in 1915, the thriving shop is now owned by the grandson of the founder of the American Hat Company. The staff offers friendly service and hot cups of coffee while you wait for your hat to be custom fitted and shaped.
