Medina

"Cena Belga"

Una idea original del chef Nico Schuermans, Medina es un café alegre situado en Crosstown. Después de haber estudiado en la Escuela de Artes Culinarias CREPAC de Bélgica, el Chef Schuermans utiliza sus habilidades y añade un toque belga a sus preparaciones. La decoración es bastante simple pero, sin embargo, tiene un ambiente elegante con lámparas brillantes que cuelgan del techo y mesas perfectamente alineadas. El menú cuenta con deliciosos platos, populares como gofres y otras especialidades como Les Boulettes, La Tartine y Roti de Boeuf, filete marinado al estilo balsámico. El restaurante es un imperdible para aquellos que buscan cambiar los sabores occidentales habituales que ofrece la ciudad. Por desgracia, el restaurante no acepta reservas. Llamar con anticipación para obtener más información.
