Scotiabank Dance Centre

"Bringing Together Artists and Patrons"

In Downtown Vancouver, Scotiabank Dance Centre is a spacious venue with 6 studios: five of which are naturally lit, and mirror-walled, and one is a black box studio. Workshops, classes, rehearsals, performances, shoots etc. can be held here. Besides changing rooms and showers at the venue, the center offers laundry and kitchen facilities as well. It's an effort to promote artists and their innovations in the art of dance and introduce patrons to the ever changing world of art. Check website for more details.

Commodore Ballroom

"Un Lugar Excelente para Conciertos"

Después de cerrar sus puertas a mediados de la década de 1990 en medio de protestas por parte de clientes y músicos famosos, este salón, fue recientemente reformado y re-inaugurado, su reaparición es impresionante. Su pista de baile se encuentra hace que todos bailen. El local, con capacidad para 990 personas, está ubicado en el centro, y tiene un historial de increíbles actuaciones, desde Dizzy Gillespie y Tina Turner hasta Nirvana y The Clash, junto con artistas modernos como Stereolab y Flaming Lips. Su ubicación en el centro de entretenimiento hace que sea un lugar perfecto para ver un espectáculo antes de salir a bailar. Llamar con anticipación para más detalles sobre los eventos actuales.

Vancity Culture Lab

"Best Blackout Room"

Housed within The Cultch, the Vancity Culture Lab is the city's best blackout room. With easily changeable backdrops, this venue is perfect for concerts, productions as well live events. The C-Labs as it is nicknamed has the most comfortable seating with light weight comfy chairs. The audio systems are acoustic and excellent in clarity; the lighting too reflects beautifully on the black background. Check the website for more information and a list of upcoming events.
