

## "Best Contemporary Art in Tokyo"

Realizado por : Cityseeker

 15 Ubicaciones indicadas

### Gallery Koyanagi

#### "Cocooned Art Gallery"

Gallery Koyanagi is tucked away at the back of the Koyanagi building, on the eighth floor. Here you will find around thirty artistic spaces, all occupied by well-established artists, both local and foreign (Sophie Calle, Rei Naito, Yoon Hee Chang). It's a space that requires time and quiet (it's one of the largest commercial art spaces in Tokyo) and both shall be richly rewarded.

### Museum of Contemporary Art Tokyo

#### "International Art & Cultural Exchange"

The objective of this museum is to provide a venue for international artistic and cultural exchange. It is the only museum in Tokyo that systematically brings together foreign and domestic contemporary art. The Permanent Collection Gallery displays around 3,800 works. Established in 1995, the building's architecture is strikingly contemporary. Facilities include galleries for temporary exhibitions, a lecture room, an art library, museum shop, restaurant and a cafeteria.

### 21\_21 Design Sight

#### "Dedicated to Art of Designing"

21\_21 Design Sight is Tadao Ando and Issey Miyake's labor of love. It shines an appreciative light on all things design-able, from furniture to utensils to architecture. There are many exhibitions and workshops held here as 21\_21's primary function is to provide a creative meeting place for designers and craftsmen. The building itself is flat and triangular, resembling a folded origami design.

### Fujifilm Square

#### "More Than Film and Cameras"

Along with Nikon and Canon, Fujifilm is one of the Japanese photo industry's heavy-hitters. Fujifilm Square, located in Roppongi and dedicated to all things Fuji, is a great place to spend some time alone, with friends or with the family. The cool, modern complex centers around photography, in which Fuji has been involved for 50 years, but also exhibits the other products that involve Fujifilm, like healthcare or lifestyle improvement. Whether you want to pop into a free gallery, buy a limited edition print, rub some newly-developed emollient into your skin, or learn about Fujifilm's history, it can all be accomplished with just one trip to the

## Museo de Arte Contemporáneo Watari-Um

"Con Exposiciones de Arte Contemporáneo"

El Museo Watari-Um es otra adición a la gran cantidad de museos de Tokio que buscan promover y preservar el arte contemporáneo. Las obras de diversos artistas japoneses, así como también de muchos internacionales, habitan las paredes de Watari-Um en las distintas exposiciones. Además, el museo también fomenta el talento emergente ofreciéndole una plataforma a los jóvenes entusiastas. Sin dudas, el museo es el sitio ideal para afilar la visión del mundo del arte contemporáneo.

### Gallery Tom

#### "Interactive Gallery"

Gallery Tom was built in 1984 by Ado Muraya and Harue Murayama. They wanted visually impaired people to feel and enjoy sculptures. One day their son, Ren Muraya, said "we visually impaired people also have the right to enjoy Rodin's artworks," this was the inspiration that made them build this gallery. Since its opening, it has given visually impaired people the pleasure of enjoying art pieces.

## Hasegawa Machiko Art Museum

### "Favorite Among the Kids"

A delightful respite from Jomon pottery would be a visit to Machiko Hasegawa's bright and appealing repertoire of comics. She is the author of Sazaesan, one of Japan's most popular cartoons. All the characters in her work are named after marine products and she is well known for depicting postwar social conditions through the viewpoint of common people. Machiko Hasegawa has opened a museum to show not only her own work, but also her personal collection of Western pieces—one Chagall included! An audiovisual room provides entertainment for children, the backbone of her audience.

## Setagaya Art Museum

### "Classy Art Museum in Setagaya"

Located in the Setagaya-ku area, this art museum is a large establishment that puts up exhibitions throughout the year. Equipped with a shop, an auditorium, a lecture room and a library, it has just the right facilities required to appreciate art. An on-site restaurant serves visitors lunch and snacks. The museum also has three annexes that function in collaboration with the main building—Mukai Junkichi, Kiyokawa Taiji and Miyamoto Saburo. It is therefore no wonder that thousands of visitors flock to this art haven each year.

## Chihiro Iwasaki Art Museum

### "Children's Book Illustrations"

Artwork from one of Japan's best-known illustrators of children's books forms the bulk of the museum's collection. Primarily a memorial to Chihiro Iwasaki (1918-1974) the museum was founded in 1977 on the site of her studio (which has been restored). The collection includes examples of her personal books and correspondence. Displays are changed six times a year. The permanent collection consists of some 8,000 original works, including early sketches. Recently, the museum has sponsored exhibits featuring picture books from overseas artists as well as other Japanese illustrators.
