The Grain Academy Museum

"The Cereal Story"

The Grain Academy Museum has been educating visitors about Canada's grains since 1981. This museum give its visitors an in-depth knowledge into the production, transportation and trade of grains. The exhibits replicate the whole interesting process, right from harvesting of grains to the delivery of grains at various stores. Visitors can try their hands at various interactive models, and browse through the rare artifacts, photos and videos that celebrate the farmer's pride.

 by Tony Hisgett 

Devonian Gardens

"A Downtown Oasis"

When a cold north wind is howling and the mid-winter temperature is too frigid, this downtown greenhouse is a welcome oasis of greenery and warmth. It showcases many local and tropical plants, fountains, waterfalls, reflecting pools stocked with carp, wooden bridges and a small playground where harried parents can let loose their children.

Glenbow Museum

"Collections Abound"

One of Canada's great museums and Western Canada's largest, this treasure trove houses artifacts of the west, dating back to the first white settlers of the 1800s and the history of the area's First Nations. Visitors can take delight in exhibits that delve into the history of the region and its people, celebrating their lifestyles and art, and also that record contemporary life in western Canada. Along with permanent displays, the Glenbow Museum presents a variety of temporary exhibitions. Visitors

also explore an art gallery and archives on site.

Fort Calgary

"Visit Calgary's Early Days"

Fort Calgary gives visitors a hands-on look at early Calgary life. Fort Calgary lies on 16 hectares (40 acres) of the riverside parks. The interpretive center reconstructs the original 1875 fort, a facility North-West Mounted Police built after being dispatched from the settled east to establish law and order among pioneers, and to stop the culturally devastating whiskey trade. Children will love trying on the officer's uniforms that have been laid out and exploring the interiors of the old prison. Visitors can grab a bite, or indeed a shot of whiskey at The Deane House, the on-site restaurant.

Creative Kids Museum

"Imaginative Young Minds"

Creative Kids Museum as the name alludes, is a space where children are given the freedom to learn through their own experiences. This museum houses various exhibits in which children can get involved and explore and learn. Water-babies will love the 'Water Play Area' where they can recreate a waterfall. The adventurous kids will love crawling through the climbing structure as they find their way out. Those with a scientific sense can immerse themselves in innovating and creating their own machines. Those with a flair for theatrics can work with their own production. Children who love some quiet time can relax with their favorite book at the 'Reading Nook'. This is one museum a child will never want to leave.

TELUS Spark

"Play With Science"

Built with a lot of thought and a significant amount of resources and time, TELUS Spark is a purpose-built facility designed to elicit curiosity and facilitate innovation in children and adults alike. The sprawling facility is divided into various sections and features tons of interactive exhibits, presentations as well as activities aimed at making science as interesting as possible. From the Prototype Lab, where new ideas are tested with inputs from visitors, to the 'Being Human' section where visitors can truly understand what it means to be human, there's a distinct freshness to this center which differentiates it from other such facilities. The 'Digital Dome Theatre' renders a rich audio-visual experience, and the various shows should not be missed here. The exhibits span all age groups, so there's something for everyone.

The Military Museums

"Largest in Western Canada"

For those interested in war trivia and collectibles, visit this museum, one of the largest military museums in Western Canada. Stocked with artillery, planes and fine examples of the Canadian war effort, it includes many interesting rarities and artifacts. Stop by the gift shop and purchase a memento after a tour through the comfortable and well-appointed rooms. In 2007, new construction added a range of attractions, such as the relocated Naval Museum of Alberta, Air Force Museum, expanded archives, an art gallery, and Military History and Strategic Studies Center of Excellence. The museum also offers research facilities in cooperation with the University of Calgary as well as a range of lectures and educational programs. The museum relies heavily on community support to keep in operation, so cash donations can be placed in the drum located at the front entrance.

Heritage Park Historical Village

"Calgary's Living History"

Heritage Park Historical Village, one of Canada's largest historical villages, is divided into a pioneer Northwest Mounted Police outpost and a Main Street from 1910. The latter has a working antique amusement park, with rides that are safe even for small children. Other attractions include a working full-scale locomotive thundering through the park, and on the nearby Glenmore Reservoir, a vintage double-decker sternwheeler ship that takes visitors on lake cruises. Shops and restaurants are plentiful in the park, including a turn-of-the-century bakery. All park staff work in costume and character. Entertaining events for the whole family are scheduled year-round, including September's Fall Fair. The opening timing may vary for different experiences at the park.

Gasoline Alley Museum

"Vibrant Automobile Displays"

Delve into history and explore the impact that the automobile industry had on Canada's social and cultural progress at the Gasoline Alley Museum, located within Heritage Park. Children can enjoy the simulated driving experience with the 'road trip games' or listen to the fantastic tales of their favorite cartoon characters at the 'Story Time' session held every Tuesday. The museum also houses various attractions like a 'drive-in theater' from the 1970s or a service station straight from the 1930s, that will be enjoyed by children and adults alike. Car aficionados will love the museum's vintage collection which has been restored to look as good as new. Entrance to the museum is included with admission to Heritage Park.

by "Mickey Thurman" ©

Beddington Heights Theatre

"Community Theater"

This vibrant community space for dance, music, and theater performances is home to two resident theater companies, Front Row Centre Players and Storybook Theatre. The mid-sized black box theater tends to showcase performances that enrich the local art community and foster appreciation for theater arts. The resident Storybook Theatre is the largest volunteer-driven theatre for young audiences in Calgary, and puts on performances for families and children in particular. The theater is also available for rent for rehearsals and community events.

Who's Who in The Zoo

"For the Kid in You"

You won't forget a walk inside Who's Who in The Zoo. There are often a number of noisy creatures moving this way and that. This is usually accompanied by a tremendous squeal of glee from the nearest child. The shop offers all kinds of interesting and fun toys and stuffed animals. There is a large section belonging to the world of collectibles, with accompanying books that describe the treasure and its worth. If technowizardry is more your style, there is an assortment of gizmos that light up, make noises and otherwise entertain.

Southland Leisure Centre

"Catch a wave"

Parents and children flock to Southland Leisure Centre, a massive family-oriented sports and recreation center to scream down the two twisting, diving water slide chutes, while toddlers use a much tamer third slide. For alternative thrills, one can throw oneself into the massive artificial waves that wash across the wave pool. The leisure center also has twin ice-skating arenas, an exercise room, a sport hall for badminton, basketball or volleyball, racquetball, squash courts, and a gymnasium that features a rock-climbing wall.

WinSport Canada Olympic Park

"Calgary's Olympic Site"

Canada Olympic Park was the venue for the 1998 Winter Olympics and offers a variety of adventure sports facilities. These facilities are used both by high-performance winter athletes and by ordinary, adventurous, Calgarians. The bobsled track immortalized by four Jamaican sledders continues to be used for World Cup events. The downhill ski slope is a popular entry-level spot for skiers, while the half-pipe area crawls with local snowboarders. The park also gets steady summer use by cross-country and downhill mountain bike racers. Inside the main COP building there is a restaurant/bar and the Olympic Hall of Fame and Museum. Prices vary according to activity.

Sikome Lake

"Recreational Sandy Beach"

This artificial lake nestled in the Fish Creek Provincial Park is a popular family picnic destination. The pools, playgrounds, its lovely beach makes for a perfect weekend getaway or a fun-filled day with your gang of friends or family.

by Calen Sikome Circle, Fish Creek Provincial Park, Calgary AB

Calaway Park

"Calgary's Disneyland"

Although not quite as large as Disneyland, Calaway Park offers more than enough attractions to keep youngsters happy and active for a full day. The vaguely Flintstones-style theme park offers rides to suit all ages, with a special area just for toddlers. A corkscrew roller coaster, log flume ride, bumper cars, boats and several other whirling, twirling and plunging attractions make kids squeal with delight, and their parents turn green. One of the most popular places among kids, this is a hot-spot for international tourists. Various events and parties are also held here. Check website for varying dates.

Calgary Corn Maze & Fun Farm

"Outdoor Fun"

The Calgary Corn Maze and Fun Farm is just about the perfect place for wholesome summertime fun in the outdoors. Children love the fun farm—which has a mini golf course and railway—the petting zoo, and the corn maze. Events are held at the corn maze throughout the summer into early fall, including nighttime maze explorations with flashlights, summer corn festivals, and a pumpkin festival that lines up with Thanksgiving. The Baby Animal Festival, held in early Spring, is the most popular and gives kids a chance to get personal with baby pygmy goats, miniature horses, lambs, rabbits, and kittens.
