Le Bal des Créateurs

"Cultural Hub"

Le Bal des Créateurs is a modern cultural hub located in the heart of Geneva. This multi-feature space includes a beauty and hair salon, where one can get the latest styles done and also buy beauty supplies. They have a massage space as well, in addition to a book and music store. Have a look at various accessories here, and maybe stop by at their bar area for a quick drink. One can even find pop-up art installations and exhibitions here from time to time.
