Nano Brew

"Popular Brewpub"

Nano Brew is a popular brewpub among locals and visitors in Cleveland. It offers over 24 craft beers, including their award-winning in-house brew as well as those from regional breweries. Enjoy a chilled draft indoors or out in their lovely beer garden. While you're here, you can also enjoy delicious schnitzels, sandwiches, burgers, salads and fries.

Heck's Cafe

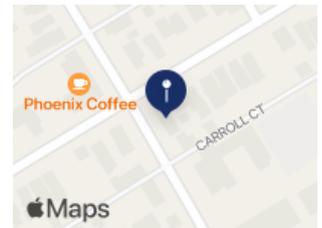

"For The Heck Of It"

Ohio City's Heck's Cafe is famous for their award-winning burgers, but they've also got a full menu of sandwiches, salads, and dinner entrées, as well as a full bar. The signature burger, the Heck Burger, is a beef burger served on a roll with lettuce, tomato, pickle and onion. More exotic burger choices include the teriyaki burger with onions and pineapple, or the Sacre Blue with blue cheese on a baguette. Dinner entrées include vegetarian wild mushroom ravioli, or chicken fettucini alfredo, in addition to steak and seafood options. Heck's Cafe also offers brunch on weekends.

Buckeye Beer Engine

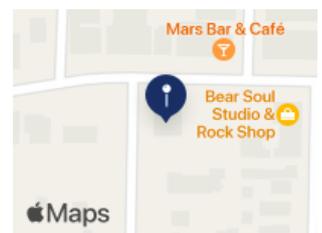

"A Beer Lover's Paradise"

Lakewood's Buckeye Beer Engine & Burgers caters directly to beer lovers. With around 20 beers on draft, including several of the brewery's own Buckeye label, as well as hundreds of bottles, there should be a match for everything on the menu. Burgers, sandwiches, appetizers, soups, and salads are available. The burgers include a Hippy Burger, with barbecue sauce, applewood bacon, and bleu cheese, or the vegetarian Spicy Black Bean burger, as well as more traditional burgers like the Mammoth Patty Melt.
