### Thien Hong

"For the Peppered Squid"

Thien Hong is a humble eatery located in the Northeast tenement, famous for its Salt & Pepper Squid. The place may not be that smart but all the value goes on the plate. What they deliver is a well laid-out menu with exceptional quality Chinese and Vietnamese specialties like Shrimp Fried Rice, Snow Pea Tips and Clams with Black Bean Sauce. Commendable service and value-for-money make this a definite must-visit in the area.
