Swap Shop

"Movies & Bargains"

This overwhelmingly expansive complex, that began as the Thunderbird Drive-in Theater in 1963, has grown over the years to offer guests more than just a film viewing experience. A farmer's market, a 14-screen drive-in movie theater, a games arcade and food court are just a few of the other attractions and activities found at Swap Shop. For the shopaholics, of course, this is the paradise you may never want to leave, as this is one of the largest flea markets in the entire state, perhaps in the country!
