Vineyard Harbor Motel

"Sea, Sand and Simplicity"

Imagine enjoying your morning cup of coffee while watching a sailboat pass by your door. Harbor Landing

"Inn with Amenities of Home"

This comfortable inn is adjacent to a lovely five-acre park and overlooks the harbor. The rooms are simple and the rates are reasonable, but it is the added amenities that make the difference. The inn will provide utensils if you supply the ingredients, and will prepare a special meal in the community kitchen. Guests are also encouraged to use the patio for cookouts. Relax and take in the spectacular view from the sun deck or walk to the beach, shops and restaurants just minutes away. Hot coffee is served mornings and a friendly staff is ready to help you plan your day.

Clarion Carriage House Inn

"New Inn at Old Port"

This motel may not have the history of many of its neighbors - it was built in 1985 and recently refurbished - but it has a convenient location and the necessary amenities to make your stay comfortable and enjoyable. The guest rooms are clean and comfortable, which is to be expected of motels in the Clarion chain. The motel offers something that is difficult to find at many inns on the island; children are not only welcome, they stay for free. Another great service is the 24-hour assistance from a friendly front desk clerk. Unlike many places that close down for the winter, this establishment is open year-round.
