### The 806

"Local Coffeshop"

The 806 is a neighborhood coffee house. Specializing in fair-trade teas and coffees, select from classic and creative beverages, beer and wine. Opt for an espresso or Thai iced tea, or a blend of both in their famous drink aptly called the Mad Hatter. Complement your drink with organic and vegetarian confections like bagels, muffins, pizza and quesadillas. This cafe hosts open mic nights and local live bands that play experimental styles like folk, gypsy punk, indie, jazz, rock and electroacoustic.

## Roosters Coffee and Tea Co

"Coffee And Much More"

Roosters Coffee and Tea Company is known to serve some of the best meals in town. Stop by for breakfast and enjoy piping hot and delicious coffee with a couple of pastries or burritos or walk in for lunch and feast on tasty sandwiches, rolls and yummy salads. Even though it is located in a strip mall, this cafe has a calm, cool, laid back vibe and is excellent for groups. The place could get crowded with occasional queues but service is always quick and efficient and any wait is always worth it here. The prices are reasonable and the house salad is one of the recommended eats.
