The IMAX Theater Indiana State Museum

"Movies Like Never Before"

Zoom into the world of mirth, sorrow and adventure exhibited on screen and enjoy a unique experience at the movies. The 2D and 3D movie action is a gripping format that is offered at The IMAX Theater Indiana State Museum. Through the eyes of the IMAX world, movies could not get any better. For students studying film, the theater conducts interactive tours discussing the dynamics of film technique. So while in the city and craving for a movie, IMAX is the place to view it in style. For further information on ticket prices and show timings, call on the numbers mentioned.

Keystone Art Cinema

"Independent Cinema"

The Keystone Art Cinema is a movie theater like no other. Its theaters are filled with more independent and unique films than the typical corporate theater. The seating and sound quality are top-notch. And best of all, beyond the conventional snack bar, you can get a beer or cocktail at the theater's lounge to enjoy while you watch your movie.

United Artists Galaxy Stadium 14

"Enjoy the Latest Films"

Enjoy the latest blockbuster movies at the United Artists Galaxy Stadium 14. The adjustable recliner seats and padded footrests ensures patrons are comfortable during the movie viewing experience. Closed captioning devices and descriptive video devices are also available for the visually and hearing impaired. The theater also houses a party room for events as well as a games room for children. Private screenings, business events and educational movies for children can be organized as well.
