## Splash Down Waterpark

---

### "Water Fun"

Opened in 1980s, Splash Down Waterpark is one of the best places in town for those who love water activities. Get the thrill of soaking in water with their various water attractions. Splash, tube, slide and plunge your way for a fun-filled day with family and friends. Kids will have a ball while going in the fish lagoon, squirting water at others or play a water game with water balloons. Get into the Fastball to see how fast you can slide down the fastest from this six story attraction to the pool. Get set for a memorable outing at this long-standing waterpark.
