### 13 Degrés

"Vin Fin"

13 Degrés Wine Bar occupies a bright little spot on Place Jourdanplein. Elegantly decorated with dim lights and dark wood furniture, 13 Degrés Wine Bar offers a setting that's elegant without being unapproachable. The menu here is mostly made of cheese platters, meat platters and finger foods that pair nicely with their fine wines.

### Goupil Le Fol

"Pub sombre et excentrique"

Situé dans un ancien bordel, ce pub reculé s'étale sur trois niveaux et est l'endroit idéal pour finir la soirée. Goupil Le Fol conserve l'ambiance obscure et risquée avec des peintures à nu sur les murs et un éclairage tamisé. L'on y prépare une délicieuse bière de fruit à siroter tout en écoutant le jukebox alors que la fête se prolonge jusqu'au petit matin.
