### The Driskill

#### "Historic Downtown Beauty"

Austin's most renowned hotel, The Driskill is stylishly grand and opulent. It has recently had the mother of all makeovers. It is an ideal abode because of its proximity to both the corporate as well as the entertainment districts of Austin. The rooms are splendid; each of the 205 guestrooms have been done up in turn-of-the-century Victorian design. If you spend the night look out for the supernatural, some claim this hotel is haunted. Take a walk down the beautiful lobby bedecked with hand-made marble, hand-painted ceilings and a custom-made stained glass dome. Such luxury is hard to leave behind!
