Blue Martini Brickell

"Try the Blue Martini"

Blue Martini is a nice nightclub and bar that has both DJs and live musicians. Along with a full bar there are tapas, so you can have a midnight snack after you work up an appetite dancing. If you would rather just have a drink while talking to your friends, step to the outside patio. Try the Blue Martini, it has Finlandia vodka, cointreau, blue curacao, sour mix and orange juice with a glow stick. Delicious, but expensive.

SHOTS

"Shots & Props"

No cover charge, funky hats and an extensive menu of shots; is there really anything more you require to have a great night out? If the answer is no, Wynwood's SHOTS is just the place for you. It's not just the names (Jessica Rabbit, The Brain, Captain America) that are creative; every shot comes with a prop, so if you think having to wear a cape for the Superman is a little strange, just wait till you see the whackier ones. Weekly and monthly parties ensure that there's never a dull moment at SHOTS.

Mokai

"Lounge Around"

To check out the location where Lord of The Rings was filmed, you don't have to go all the way to New Zealand. The wooden Ottomans, walls with open bricks and warm lighting at Mokai help you relive the act. Mokai, with a bar that keeps going all night, sees biggies from the film and music world as regulars. You have to be lucky to make it to their restricted list of guests every night. You won't find this place to be as crowded as other places in South beach, so grab a table and lounge away with trendy hip-hop, funk or house music.
