Perch

"Dine In The Sky"

'Perched' atop the 13-story tall Pershing Square Building, is a gem of a French bistro, that's hidden away from the hustle and bustle of the historic square. The splendid alfresco setup accentuated by a couple of fireplaces and fire pits, sets you up for what's in store in the kitchen. The connoisseur behind the kitchen walls, Chef Shawn Davis promises to take your dining experience to a different level by serving delicious classic French cuisine touched by his signature style. The regular French delicacies like Ahi Tuna Tartar and Classic Caesar Salad are dished out with flair, and so are the traditional dishes like Bouillabaisse and Duck Confit. In the end, a glass of Armagnac or Calvados from its bar, is enough to round off a fine dining experience. The bistro is also a perfect spot to relax in the lounge area and enjoy the live gigs and cabaret performances which are held here throughout the week. With a location that matches the best in the city, Perch is a perfect place to dine with your loved ones. Call or visit their website to book a table.

The Ivy

"Pour les riches et les célébrités"

Cette adresse fut visitée par de nombreuses personnes célèbres et elle ne montre aucun signe de décadence. Si vous n'avez pas de réservation, n'essayez même pas d'y entrer. Son décor est simple, car l'accent est mis sur ses clients et son menu, tous venus d'un autre monde. Sa tarte au crabe et son poulet rôti sont excellents. Si vous en avez les moyens, c'est une adresse idéale pour se fondre avec une clientèle huppée. Soyez sûr d'avoir réservé.
