Hotel Meliá Granada

"Modern Facilities"

Hotel Meliá Granada has superb facilities for conferences and social functions. It's an imposing building in the city center close to the shopping area and the historic sights. Being a flagship hotel of a prestigious international chain means the standards are very high. All the spacious bedrooms are decorated in bright cheerful colors and are comfortably furnished. If you choose one of the executive suites, you'll be impressed with the amount of space you get for your money and the up-to-date equipment.

Hotel Granada Center

"Pleasant Stay on a Budget"

Hotel Granada Center offers you a delightful stay at prices that keep your travel budget happy. The hotel has a striking interior. It's illuminated in bright lights and lined with several plants that make this place look nothing less than a sanctuary. This charm is carried forward into all the rooms which are decorated thoughtfully and furnished with modern amenities. Business travelers can make use of the hotel's conference facilities. The city center location allows the leisure traveler to explore many touristy spots.
