Urban Oasis Bed and Breakfast

"Relaxing and Reposeful Stay"

The Urban Oasis is one of the best bed and breakfast properties in Atlanta for a variety of reasons. Originally a cotton factory in the '50s, it is now an open, modernized loft space that houses three unique bedrooms and bathrooms that are decorated with an incredibly eclectic flourish. Krog Street is already known for its bohemian vibe and the Urban Oasis just adds to the character and liveliness of this neighborhood. Thanks to all the vibrant colors on the walls there is always room for inspiration here. Convenient facilities and amenities are offered to ensure a relaxing and comfortable stay.
