### Barbaro

#### "Italian Pizzas in Rustic Bar"

Unpretentious spot for delicious wood-fired pizzas and classy cocktails, Barbaro is a local favorite when it comes to enjoying a quiet night with friends and family. The modest food menu created by Mark Martinez and Emilio Baez features scrumptious build-your-own pizzas, small plates, salads and toasts. Use of locally sourced ingredients, herbs and spices assure freshness in every bite. Combine excellent food with signature wines, spirits and cocktails served at the fully-stocked bar. Suspended dim-lights from high ceilings, large windows and exposed brick walls contribute to the laid-back vibe perfect for unwinding. The prompt and genuine service of Barbaro is what makes it a popular hangout in Monte Vista.
