Hutton Hotel

"City Center Location"

Ideally situated in the city center, the Hutton Hotel is a modern haven for those traveling for business or for pleasure. Guests will have access to modern amenities such as WiFi, flat-screen televisions with provision for AV connections and a wet bar. They will also enjoy lip-smacking, traditional American dishes at the hotel's 1808 Grille. This hotel offers two meeting rooms that are equipped with a conference table as well as a 50-inch flat-screen television. The hotel takes protecting the environment very seriously, and so various measures are taken in order to decrease its carbon footprint. For further details visit the website.

Hotel Preston

"Downtown Delight"

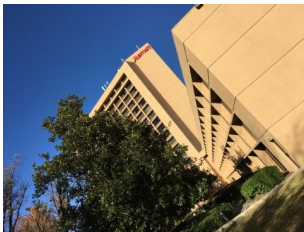

The centrally located Hotel Preston is a good alternative for travelers who are looking to get a feel of downtown Nashville, without shelling out an exorbitant amount. Whether you are a compulsive shopper or want to catch the latest play in town or even visit one of the art galleries or tourist attractions, this is the place to be. The hotel also offers out-of-the-box services in the guest room like a goldfish for pet lovers and a good book for those caught by the literary bug. It is also close to the Nashville airport which makes it a much sought after place by the business travelers as well.

Nashville Airport Marriott Hotel

"Nashville's Address for Familiar Luxury"

There is one name in Nashville synonymous with luxury—Nashville Airport Marriott Hotel. Its location is close to the downtown business district, with the nearby attractions and fine dining. Each room features amenities such as coffee makers to fill your empty coffee cups, whenever you feel the urge. The hotel also provides facilities for fitness-minded guests. Tennis courts, swimming pool, sauna and complete workout center are a few extra things, and all these at low prices, something you won't find at most hotels. The concierge service helps guests find the perfect restaurant, a taxi or schedule a tour of the city.
