Hobbit Cafe

"Hobbit World For Houston's Hearts"

This health-nut paradise has been taking care of Houston's hearts for many years. Those with artistic spirits are particularly attracted to the somewhat Bohemian atmosphere featuring the world of Hobbits. Dining outdoors on a deck is extremely popular in fair weather. A few sinful menu options are available such as a hefty hamburger but vegetarian choices like spinach and mushroom enchiladas are the true crowd-pleasing items. Even the desserts manage to be tempting without overwhelming the body with fat and calories.
