Minute Maid Park

"Exciting Event Line Up"

If you are in the mood for some good baseball, head on over to Minute Maid Park which is home to the Houston Astros. Formerly known as both Enron Field and Astros Field, Minute Maid Park has a retractable roof and can be fully air-conditioned. The field is known as being friendly to the hitters, resulting in exciting games for the fans! For multi-taskers, wireless Internet is available for a fee. Besides major league baseball, the field occasionally hosts other sports games such as college baseball and private functions.

NRG Stadium

"Spectacular Stadium"

This splendidly massive sports stadium is a part of the impressive NRG Park (formerly Reliant Park) complex. The seating capacity is 71,500, a huge number to accommodate fans. NRG Stadium (formerly Reliant Stadium) gathers big crowds for popular sporting events and concerts. The most interesting fact about the stadium is its retractable roof, which suits various types of events.
