### Cactus Music

"Best Record Store"

Houston Press Music Awards voted Cactus Records as the "Best Record Store" four years in a row. The ruling motto that music is the first priority has served the store well. Besides all the popular titles, you will find a wide range of hard-to-find compact discs, tapes, records and unusual novelty items. New artists, small record labels and music with an unusual flavor receive equal billing. Movie buffs will be equally impressed with the low-priced movie rentals offered here.
