California Bounge

"California Blues"

California Bounge is an upscale bar in the vibrant party area of Stuttgart. The seating is plush and comfortable along with subdued lighting, which makes it just the antidote for a stressful day at work. The wine and cocktail lists are extensive and surprisingly reasonably priced as well. The DJ plays mellow music initially and gradually builds it up as the night progresses. During warmer days in summer, it is possible to sit outside on the balcony and take in some of the street views opposite.
