Telephone Museum of New Mexico

"Ring Up the Fun"

Explore three floors of exhibits to learn more about the telephone than you ever thought was possible at the Telephone Museum of New Mexico. Walk through the exhibits and see items from Alexander Graham Bell's workshop, photographs, switchboards, hundreds of different types of telephones, and more. Find out about unsung heroes like Susan Parks, a switchboard operator who was able to inform the U.S.A. army about the attack by Pancho Villa during the actual attack. Her switchboard is on display, and you can even see bullet holes. Children will love the Learning Center with its hands-on displays and make sure you stop by the gift shop before you leave.

New Mexico Museum of Natural History & Science

"Prehistoric and Futuristic"

Take a walk through time from the big bang through the ice ages in one of the premier natural history museums in the country. Also, discover a great collection of massive dinosaurs while you watch technicians work on actual fossils. You can also experience the Dynamax Theater with its multi-story screen and super sound system. Step into the Time Machine and stop by the Lode Star Center that includes a high-tech, 175-seat theater, telescope and planetarium. The STARTUP Gallery tells the story of Albuquerque's role in the development of the computer. The Nature Works store in the museum features a unique inventory of items related to dinosaurs, birds, and various species of animals and scientific gadgets.
