### Craftsman House

"Colorful Collection"

Craftsman House is a gallery that showcases contemporary art works. The lush green lawns and beautiful garden welcome visitors in to this creative space. Owned and managed by Stephanie Schorr, it is a gallery-cum-working studio. Here, you will see umpteen art works displayed; jewelry, glass designs and much more work of local and national artists make for its splendid collection. It also has an on-site café serving delicious short eats and variety of beverages including beer and wines. Apart from the art works, Craftsman House also has a pottery studio that features colorful mugs, pots, vases and other wares that will adorn your living room. The innovative designs and art pieces are truly worth a look; so go ahead and visit the Craftsman House soon.

### Duncan McClellan Gallery

"Fragile & Beautiful Art Work"

Featuring local and international artists alike, this gallery is known for its impressive glass gallery and studio. Once a tomato packing plant, the grounds have been transformed into an educational, multi-functional space. Nestled in the Warehouse Arts District, the gallery fits in perfectly with the funky, free-spirited neighborhood. Tours, classes and field trip opportunities are offered to those interested.

## Brad Cooper Gallery

### "Contemporary Art at Its Finest"

Since 1984, the Brad Cooper Gallery has provided an ongoing array of unique and expressive works. At its Ybor gallery, artists from around the US and abroad exhibit their creative pieces. The gallery focuses on contemporary art by established artists as well as emerging artists. The gallery features paintings using several mediums including oil on linen, wood, and canvas, acrylic on paper, silver print, and mixed media. There are featured solo exhibits throughout the year. Professional staff is available to help collectors choose pieces for ongoing collections as well as custom framing. Gallery viewing is by appointment only. -Vickie Ferguson
