Bygones Vintage Clothing

"Echoes of Other Eras"

It is hard to walk by this shop without stopping in for a look. The window is full of fascinating items from almost every period of Richmond's history. Inside, a charming collection of antique clothing, shoes and accessories await discovery. Cases look more like your grandmother's jewelry box, filled with antique jewelry, gloves and fans. The shelves are almost a time-line, showing hats and shoes from the closets of decades of fashionable southern men and women. Tuxedos and beaded dresses from the 1920s, capes from the 1890s, and kid gloves and feathered hats are just a few examples of items you will find here.
