LemonCello

"We All Scream For Ice Cream"

LemonCello is a vibrant ice cream parlor, known for its unconventional ice cream flavors like ginger, pepper, tofu and figs. The store, famous for its Italian ice creams, has garnered the attention of children and those who have a dissatisfied sweet tooth. The chefs here are constantly trying to raise the bar when it comes to making desserts, by trying new concepts and ingredients; which in turn makes this ice cream parlor, one of the best places for desserts, in the city.
