Elbo Room

"Fun Night at Elbo"

Fabulous cocktails and thumping music are two of the things that have ensured the Elbo Room's popularity since its establishment in 1938. However, you will have to jab a few ribs to groove to the music, as the dance floor can get a little crowded in the late hours. If you want to take a bit of a breather, walk down to the beach and then head back to the venue for a further round of drinks and dancing.
