Realizzata per : Cityseeker

 3 Posizioni indicati

### Elevate & Alchemy

#### "Go Big"

Elevate Lounge and Alchemy Nightclub together make up the largest nightclub in New Haven. The three large rooms have dance floors, custom LED lighting and bars, the perfect combination for a great nightclub. The club often hosts guest DJs to host special theme parties and events, and often offer drink specials.

### Cafe Nine

#### "The Musician's Living Room"

OK, so it's not in the most popular section of New Haven, on a corner off on its own. But despite appearances, this is an outstanding spot for hearing live bands and performers. During the week it showcases a diverse selection of music and talent, and on the weekends you can listen to well known bands or outstanding jazz and blues players jam.
