Société Cigare Lounge

"Cigar Lounge"

Société Cigare Lounge is a cigar lounge located on Grande Allée Est. The lounge has an exquisite collection of cigars, some of which are quite expensive and unique. L'Atelier

"Cocktail King"

L'Atelier is where the stylish and hip crowd hangs out. And with good reason- this bar has some of the best cocktails you might have tasted in a long while. They have a creative menu of well-mixed cocktails, which consists of such titles as Fashionista, Intrigue, Mapperita and Edelitchi among several other inventive names. They also have a good range of beers, wine and pub grub. The space is huge, with the bar occupying five levels, decorated with rows of bulbs on the ceilings, giving it an edgy touch.
