Newport Pier

"Fun in the Sun"

If the air inside one of the area's many malls seems too stuffy for you, head to Newport Pier for a day of shopping and dining right on the water. Whether you are in search of a quick buy for a day out on the beach, or are looking for souvenirs to bring back home, you can find it among the many shops and restaurants in this bustling oceanfront area. Here you can pick up an OC sweatshirt to properly emulate those moody walks by the waves, or get the kids some toy shovels to built expert sand castles. Then stop by one of the many kiosks for a fruit smoothie for the ride home, but before you go make sure to walk out to the end of the pier for some great views of Catalina Island and the surrounding beaches.
