Lyman Orchards

"Pies, Berries & Farmstand Goodness"

One of the state's best places to get an apple pie or pick-your-own fruit, Lyman Orchards offers fresh, local produce at great prices. There are a slew of annual events at the Orchards, starting with the Apple Hunt at Easter, where the Easter Bunny puts aside his candy for some healthy apples. During the summer months, there is the Sunflower Maze, and then if visiting in September and October, stop by the Corn Maze, which is spread across four acres of property. If golf is your game, there are two courses on the premises. You will never run out of things to do at Lyman Orchards!
