Veigelangelo

"Veggies Please"

Veigelangelo serves lip smacking preparations, beverages and desserts. There's always something to look forward to as the menu changes every week. The restaurant seats around 20 people, reservations are therefore a wise way to go. Outdoor seating is available in summer. Special events happen time and again. All in all, Veigelangelo is a good place to dine even if you're not a vegetarian. Don't forget to check out the specials here. Opens from Wednesday to Saturday at 12p and on Sundays at 6p.

Tian

"Vegan and Vegetarian Delights"

Set in an upscale, quiet and modern space, in the centre of the city, Tian specializes in serving gourmet vegan and vegetarian meals. Vegan delicacies like Cocos Curry, Cep Risotto and Black Chanterelles are served here. There is also a hearty prix fixe menu for those who are unsure about what to order. The decadent dishes can be paired with a glass of wine from the bar menu. The elegant interiors and delicious food will impress not only the vegans and vegetarians but even the most ardent meat lovers.

Tushita Teehaus

"Vegans & Vegetarians Rejoice!"

For a long-awaited respite from meat and proteins, Tushita Teehaus is where most of Munich denizens head out to. This restaurant and tea house is a multifaceted one, as it not only shines as a great vegetarian and vegan eatery but also houses an extensive selection of teas, most of which are organic and environment-friendly. Affordability is also one of its strengths and worrying about quality or freshness will just amount to wastage of time. Vegans and vegetarians are a blessed minority in

Munich, as Tushita Teehaus is finally here!
